

ADDITIONAL DIVORCE INFORMATION

If you are seeking a divorce in Bexar, Comal, Hays or Guadalupe County, it is necessary for you to complete a “For Kids Sake” course prior to the divorce being finalized. If not, the Judge may not grant the divorce.

It is your responsibility to take the course and forward a copy of the certificate of completion to my office to be entered with the Court.

Please pick up a brochure in our reception area or ask my receptionist for the information. You can also get the information on the internet at www.kidsfirsttexas.com
